Program Description:

Students sign up for 1 of 3 activities during a session. There are 2 sessions that last an hour. The activities include the gymnasium (basketball/floor hockey, volleyball and the moonwalk), cafeteria (dance dance revolution video game) and a classroom (sport video games and watching the NCAA tournament). The students must be in the gym for at least one session. We get prizes donated from local businesses and colleges for prediction of NCAA games and door prizes.
